

"You must see the Beloved in every man, to come to know the Beloved in one man." ...

This represents a tantric form of the important Hindu god Shiva in sexual embrace (yab-yum) with his wife Parvati, from whom he derives his energy (Sakti). It is a manifestation of Shiva as Srikantha engaged in copulation (Kamakali).. Shiva is characterised by his cosmic energy which is connected with his Sakti Parvati, who is the ultimate goddess of all things in the universe.

*Waves of Bliss*

Do not be afraid of the powerful sensuality  
of your own bodies, beloved ones,  
for with your heart it becomes  
magic in the universe.”
